June 1995

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword (501/982-4240) founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$20.00 (\$25.00, payable in U.S. funds, outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113.

THE FALCON NEWS is published monthly with information from its members. All copy for The Falcon News should be sent to the editor, Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099-2421. Copy must be received by the first of the month preceding date of issue.

President's Message

We just had a very good evening. Roy Sword, Founder of the FCA and now the Treasurer, and his wife Pat were guests at our home last night. We spent most of the night, as a matter of fact until 2 a.m., reminiscing about all the fun we've had since we met at the 1st FCA National Meet in Hot Springs, AR. I was telling Roy that I saw the ad about the Falcon Club in *Hemmings* and couldn't write my check fast enough to become a member. I thought I was the only nut in the country that was "Falcon crazy."

Now I know that there are many others, and I keep getting calls all the time from people who are just learning about the FCA and are excited about joining. We've been running an ad in *Hemmings* and get an average of four to five calls a week from it. So, our membership is continuing to grow.

The value of our Falcons has gone up considerably over the first 15 years, and I believe that is because of the FCA and all the interest it has generated. I'm glad Roy had the dream of starting a Falcon club and then pursued it. And I'm thankful to be a part of it because the people in the club are the very best.

As you can tell, I got a little excited after visiting with Pat and Roy about all the things that have happened in the club since DayOne — guess it "cranked my motor."

If you have recently joined the club, try to get involved in some of our functions. I can almost guarantee you'll have a great time. I'm looking forward to meeting all of you. The FCA National Meet in Plano, TX, is sure to be a great one. Hope to see all of you there.

See ya,
Jim Hatcher

Tech Tips

Steering Gear

Some people have indicated that their Falcons seem to be in need of adjustments to the steering gear. There are two points at which such adjustments can be made, and what follows is the shop manual procedure for doing that.

1. Disconnect the sector shaft arm (the Pitman arm) from the sector shaft.
2. Loosen the steering gear housing attaching bolts at the underbody side rail.
3. Loosen the steering column bracket screws at the instrument panel.
4. Partially righten the steering column bracket screws.
5. Torque the steering gear housing attaching bolts to specification.
6. Loosen the nut which locks the sector adjusting screw, and turn the adjusting screw counter-clockwise.
7. Measure the worm bearing preload by attaching an inch-pound torque wrench to the steering wheel nut. Read the pull required to keep the wheel moving for at least one turn. If the torque is not within specs (3 to 6 inch-pounds), adjust as in next step.
8. Loosen the shaft bearing adjuster locknut (located where the steering column enters the sector housing) and either tighten or back off the adjuster so the preload measures between 3 and 6 inch-pounds.
9. Tighten the adjuster locknut.
10. Turn the steering wheel slowly from stop to stop. Turn gently to avoid damage to the ball return guides. Then rotate the wheel 2 5/16 turns to center the ball nut.
11. Turn the sector adjusting screw clockwise until the specified pull (8 to 13 inch-pounds) is necessary to rotate the worm past its center. No perceptible backlash is permissible at 30 degrees on either side of center.
12. Tighten the sector adjusting screw locknut.
13. Tighten the steering column bracket bolts. Connect the sector shaft arm to the shaft, and torque the nut to spec (85 to 110 foot-pounds).

to the Editor

Dear Kathy:

I started getting interested in Falcon cars in 1987 when I purchased a 1963 Falcon 2-door sedan for my son. He had a ball with the car, but I was the one that fell in love with Falcons.

In November 1994 I purchased a 1963 Futura Sport convertible. I show this car at the Old Town Saturday Night Cruise, a show in Orlando that has approximately 400 classic cars a week.

I always wanted a Falcon Ranchero, and almost got one two years ago. It was a 1962 well-worn truck, but it was bought by someone else. In March 1995 I saw an ad for a 1960 Ranchero at Bluffs Toyota in Council Bluffs, IA. After calling and expressing my desire to buy it, the only question remaining was how to get it to Florida. I decided commercial hauling was out and that I should fly to Omaha, NE, and drive it home. My family thought I was crazy, but on April 7 I left Orlando at 10:30 am and by 12:30 pm I was on my way south with my 35 year old Falcon Ranchero.

The trip took 24 hours of driving about 60 mph, refueling every 275 miles and stopping for two nights. I traveled 1448 miles, averaged 25.08 miles per gallon and arrived home at 10:30 Sunday morning. I got a lot of looks during the trip back to Florida.

I've joined the FCA and look forward to my membership in the club.

Bob Secrist
Howey-in-the-Hills, FL

P.S. After showing my Ranchero to my fellow employees, one grabbed my arm and whispered, "Bob, I just heard of a great buy on a Falcon in California. Ya interested?" Well, you never know!!!

Bob

(Letters to the Editor continued)

Dear FCA,

Sorry I'm late on my dues, but I've been busy. I would like to renew my own membership and start a new membership for my nephew, Kyle. He is the only son of my late brother Dan who belonged to the Ripon Area Race Enthusiasts or R.A.C.E.

My brother left Kyle his 1964 Falcon. It's a plain 1964 with a 302 4V and Ramrod four-speed transmission. Dan had recently had the car painted blue and had shown it several times.

Kyle is 14 years old and really likes model car building and hunting.

I have been a member of the FCA since the 1993 Nationals in Milwaukee, WI. My Falcon is a 1963 Sedan Delivery (a picture is enclosed) that I've owned for 14 years.

Thanks very much.

Mark A. Lietzav
Jackson, WI

Dear Mrs. Lerner,

Please find enclosed my cheque for \$25.00 CDN as payment for membership in the Falcon Club of America. Your club member Rheal Meilleur of Cornwall, Ontario Canada, kindly provided me with examples of your newsletter.

I shall certainly consider sending you any writing I happen to do on Falcons and for the time being have enclosed a photo of my car and me.

I bought this 1963 Falcon 13 years ago and have never regretted a day's ownership. Glad to join your club.

I remain yours,
Shannon Lee Mannion
Ottawa, ON Canada

Falcon Club in order to guarantee the meet rate at this hotel.

WE WOULD APPRECIATE YOUR EARLY RESPONSE!

Chapter News

The *Mid America Chapter* held its April meeting at the Sonic in Overland Park, KS, with 33 members present and five Falcons driven. Work is continuing on the All Ford Show to be held on June 4, 1995, at Metcalf South Shopping Center, Overland Park. They welcome all Fords, especially Falcons. Preregistration is \$8.00 or \$10.00 the day of the show; contact Barry Fischer at 816/679-5636 for more information. On August 16, 1995, they will take care of the car show for the Spring Hill Fall Festival, Spring Hill, KS.

April's meeting for the *Mile Hi Chapter* was at the United Air Lines Flight Training Center in Denver, CO. A private tour of the Center and facilities was conducted by Ron Brown's daughter Jennifer who is a Flight Training Coordinator. Twenty-five members, most driving their Falcons, attended.

The *Lone Star Chapter* is in a contest with the *Heart of Texas Chapter* to see which chapter can have the most Falcons registered at the AER show. Losing chapter must attend the other's next regular meeting.

Eighteen members and friends were present at the last meeting of the *Sooner Chapter* that was held at the Holiday Inn in Shawnee, OK. Plans were made to participate in the 7th Annual Gusher Day Rod Run in Seminole, OK.

At the April meeting of the *Carolinas Chapter* member Lee Holman made a donation to help with the printing costs associated with the Regional Meet T-shirts, as well as the exclusive use of the copywritten Holman and Moody competition proven logo that will be on the back.

A business and planning meeting was held after dinner by the *Gateway Chapter* when they held their April meeting at Schnuck's Station Restaurant in Chesterfield, MO. The main topic was their 2nd Annual All Ford, Mercury and Lincoln Car Show that will be held at Noah's Ark Hotel in St. Charles, MO, on October 15, with a rain date of October 22. They are planning to have two Falcon classes and want to invite everyone to come and join them by either participating or just visiting.

The newly formed *Great Lakes Chapter* will hold meetings on the third Sunday of every other month, unless otherwise announced. Different locations around the state will be used for the meetings. Contact Bev Engle at 517/849-7156 or write P.O. Box 3, Jonesville, MI 49250, for more information.

Three Falcons from the *River City Chapter* braved the fog for a cruise to the Capay Valley Almond Festival. There were many crafts and antiques, almond candy, music, food, cars, motorcycles, and beautiful scenery. The only thing missing was the sunshine.

The *Keystone Chapter* will be hosting their 6th Annual Regional Meet at the Holiday Inn in Grantville, PA on September 8 and 9, 1995. Committees have been formed and plans are underway to make this the best regional to date.

A meeting to discuss their 2nd Regional Meet at the Best Western Midway Hotel in Green Bay, WI, on June 16 and 17, 1995, was recently held by the *North Central Falconeers Chapter*.

(Chapter News continued)

The ***Mason Dixon Chapter*** held their 3rd Annual Show at the Grease N' Go in Pasadena, MD. Several members were in attendance, and all had a great time giving out hot dogs to visitors. Member Larry Estell provided hot dogs, the use of his antique hot dog stand, and his time to make this another memorable day. Thanks, Larry!

Rare Falcon to be on Display

The Carolinas Chapter is proud to announce that an original Ford Falcon Challenger, one of only three built, will be on display at the Carolinas Chapter Regional Falcon Meet to be held at the Holiday Inn Woodlawn, Charlotte, NC, on September 22 and 23, 1995.

In the early '60s, three Falcon Tudors were highly modified for the Ford Motor Company by the world-famous Holman and Moody Shops to compete at Sebring and other road race circuits. These high performance V8 Falcons were named Challenger I, II, and III.

Thanks to the efforts of Carolinas Chapter member Lee Holman, one of these legendary automobiles, Challenger I, will be available for display during this Regional Meet. This will be a one time chance to see a very rare Falcon prototype that's never before been displayed to the public since its recent restoration. Rare vintage film footage of these special Falcons will also be shown.

Don't let this rare opportunity pass you by. Make your plans now to attend!

A Reminder to Those Planning to Attend One of These Regional Meets: Register early to help the host chapters in their planning of activities, space, banquet, etc.

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a difference section of the Classified Ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. All items advertised for sale must have a price for the ad to run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with the check or money order payable to the Falcon Club of America.

Ad must be received by the first of the month for the next month's issue.

The FCA reserves the right to refuse advertising from any person or business.

(Cars for Sale continued)
